Dear Mr. and Mrs. White:

The Governor's Office ("Office") received your letter dated October 15, 2014, requesting an investigation into alleged "violations of Colorado law by the Boulder District Attorney's office." The Colorado Open Records Act, § 24-72-201, *et seq.*, does not grant our Office investigative authority over the public records of other custodians. We have reviewed your correspondence and have discussed the matter with the Attorney General's office. Our Office is not the custodian of records for the Boulder County District Attorney's office, and we are not in a position to determine what records exist or may be withheld. Thank you for your correspondence.

Please contact me if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "David Spector". The signature is stylized with a long horizontal line extending to the right.

David Spector  
Senior Deputy Legal Counsel
